

IN PARTNERSHIP WITH

CUTANEOUS LYMPHOMA FOUNDATION

WHO WE SERVE

The Cutaneous Lymphoma Foundation serves all people affected by cutaneous lymphomas.

OUR VISION

A Life Free from the Burdens of Cutaneous Lymphomas

OUR MISSION

Serving as the voice of the cutaneous lymphoma (CL) patient community that: Strives to empower people with CL and their care partners through impactful education and support services; Influence decisions that can transform lives; and Promote research focused on addressing the most critical unmet needs.

How skin conditions **IMPACT** patients

Cutaneous lymphomas are an incurable, chronic, lifelong disease that includes non-progressing to life-threatening variants impacting each person's quality of life.

OUR STORY

The Cutaneous Lymphoma Foundation was formed in 1998 by three very passionate people, a patient, a care partner and a physician who believed in empowering and supporting people through education and meaningful connections.

HOW WE MAKE AN IMPACT

The Cutaneous Lymphoma Foundation makes impact through:

Ensuring that everyone with cutaneous lymphoma and their care partners are empowered to be involved in their care and live well with their condition.

Having a meaningful influence over health service, regulatory and policy decisions that impact on the lives of people with cutaneous lymphomas.

Advancing research that is focused on tackling the most important unmet needs of people with cutaneous lymphomas.
