WHO WE ARE

The Society of Dermatology Physician Associates (SDPA) is the leading professional organization dedicated to empowering and advancing Dermatology Physician Associates (DermPAs™) across the country.

OUR MISSION

Our mission is to elevate the role of DermPAs™ through knowledge, advocacy, leadership, and engagement, ensuring excellence in dermatologic care nationwide. We are committed to providing our members with unparalleled resources, comprehensive educational programs, and a vibrant professional network that fosters lifelong growth and collaboration.

How sdpa
IMPACTS
patients

DermPAs™ play an integral role in patients' dermatological care team and provide advanced, quality, and timely care to patients in all 50 states. As the leading professional society supporting DermPAs™, we help drive innovation and contribute to the future of dermatology. We improve outcomes for dermatology patients by enhancing DermPAs' knowledge and skills by delivering unique and relevant content for lifelong learning. We also elevate DermPAs' voice to influence public policy issues affecting dermatology, DermPA™ practice, and dermatology patients.

OUR STORY

The Society of Dermatology Physician Associates (SDPA) is a 501(c)(6) non-profit professional organization composed of members who provide or have an interest in dermatologic care. Founded in 1994, the SDPA has over 5,000 members, making it the largest constituent specialty organization of the American Academy of Physician Associates (AAPA).
